**Declaration of Jheroen P. Dorenbosch**

**Under 37 CFR §1.132**

The undersigned, Jheroen P. Dorenbosch, declares the following:

1. I, Jheroen P. Dorenbosch, together with Anatoly S. Belkin and Niranjana N. Segal, are inventors of the invention disclosed and claimed in United States Patent Application Publication No. 2005/0119005 to Segal for a Method and Apparatus for Routing On Hold Calls ("Segal").
2. The Examiner has rejected the above referenced patent application, namely United States Patent Application No. 10/727,434 for On Hold Call Retrieval and Routing to Belkin under 35 U.S.C. § 102(e) as being anticipated by Segal.
3. The subject matter within Segal concerning the present invention as cited in the Office Action concerning the pending claims was conceived of by an inventor of the present application, namely Anatoly S. Belkin and Niranjana N. Segal.
4. The subject matter within Segal concerning the present invention as cited in the Office Action concerning the pending claim was not conceived by me, Jheroen P. Dorenbosch

5. All of the above statements made of my own knowledge are true and all statement made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that willful false statements may jeopardize the validity of this application or any patent issuing thereon.
